STATEMENT OF FACT

To: Public Service Company of New Mexico (PNM)  Date: ________________________

From: Electrical Contractor Company Name: ________________________________

Address: ______________________________________________________________

Phone #: ______________________________________________________________

New Mexico Contractor License # ______________________________

A power connection is requested to be made without prior approval from the appropriate building official or designated representative at the following location:

Business Name (blank if residence): ________________________________

Address: _____________________________________________________________

City/Town/Pueblo: ______________________________________________________

Party Responsible for Billing: ___________________________________________

Address: _____________________________________________________________

Phone #: ______________________________________________________________

The Power connection is being requested for the following reason (check one):

☐ Emergency - installation or work which is done after regular business hours or during a holiday when immediate action is imperative to safeguard life, health or property. The person making the installation or performing the work must apply for a permit covering the installation or work from the appropriate building official not later than the next business day.

Description of Emergency (Required): __________________________________________

☐ Tribal facility

Facility Description: ______________________________________________________

☐ Military, Federal, or other NMAC Exempt Facility

Facility Description: ______________________________________________________

I hereby certify and affirm that I am duly licensed by the State of New Mexico to perform electrical work in New Mexico. I further certify and affirm that all work has been performed and verified by me, to conform with all current codes, standards and utility guidelines, adopted by the State of New Mexico, the local jurisdictional authority, and Public Service Company of New Mexico. I understand and acknowledge that if the installation is determined to be noncompliant, the electric service may be disconnected by PNM by order of the jurisdictional inspector, or that upon notification, I will bring the installation into immediate compliance. I acknowledge that I am assuming all liability for the installation and its compliance with adopted codes and standards.
