PNM Employees Assist Area Nonprofits

Hundreds of employees volunteered for the 9th annual Day of Service

(Albuquerque, NM) Yesterday, hundreds of PNM employees spent the day giving back to the community by participating in our annual Day of Service event. This annual event, now in its ninth year, is one of the many ways for our company volunteers to serve local nonprofits with much needed hands-on help to support their organizations missions.

“Our employees are committed to giving back to the community where they live, work and play,” said PNM’s Pat Vincent-Collawn, Chairman and CEO. “Service is foundational to PNM’s longstanding culture and commitment to our beautiful and diverse communities. Our annual Day of Service is one way we demonstrate that commitment to our customers statewide.”

In 2021, PNM employees in New Mexico dedicated thousands of hours to volunteering and community service projects.
