## PNM receives prestigious award from APS Education Foundation

*Outstanding Corporate Partner Award for 2024*

(Albuquerque, NM) — Recently, the Albuquerque Public Schools' Education Foundation (APSEF) named PNM as their Outstanding Corporate Partner for 2024.

Each year, PNM employees volunteer hundreds of hours, giving back to the

community and supporting the causes they are enthusiastic about. Many of those hours are spent at APS locations.

Not only do PNM employees give their time, but when they donate monetarily the PNM Resources Foundation offers matching grants which allow employees to double their contributions to APS and other organizations.

PNM offers classroom Energy Efficiency information to students to help them learn ways they can save on electricity. PNM employees visit various schools and provide a visual presentation about how best to save money on electric bills.

***The award will be accepted by PNM at APSEF's Gold Bar Gala on Friday, April 19, 5:30 p.m. at Sandia Resort and Casino.***
