**REVISED NOTICE OF PROCEEDING AND HEARING**

**THIS NOTICE CORRECTS AN ERROR IN THE PRESENT BILL CALCULATIONS IN THE NOTICE PREVIOUSLY PUBLISHED IN THIS PROCEEDING.**

In the June 3, 2019 Application filed by Public Service Company of New Mexico (“PNM”) in this proceeding, PNM included a table showing the impacts on customers’ monthly bills resulting from PNM’s 2020 Renewable Energy Act Plan (“2020 Plan”). The table, however, included incorrect estimates of customers’ current monthly bills. When compared to the new monthly bills estimated by PNM, the table showed a decrease in customers’ monthly bills. The table was included in the Notice of Proceeding and Hearing dated June 17, 2019 that was issued by the Commission and sent to all PNM customers.

PNM subsequently notified the Commission of PNM’s error, and this Revised Notice is being issued to correct the error. When corrected, as shown in the revised table shown below, the impacts anticipated by PNM will be increases in monthly bills rather than the decreases reflected in the June 17, 2019 Notice.

The June 17, 2019 Notice of Proceeding and Hearing, as corrected, is set forth below:

PNM filed its June 3, 2019 Application for Approval of its Renewable Energy Act Plan for 2020 (“2020 Plan”) pursuant to the Renewable Energy Act, NMSA 1978, Sections 62-16-1 to -10 (“REA”), and the Public Regulation Commission’s Renewable Energy Rule, 17.9.572 NMAC (“Rule 572”). PNM’s Application asks the Commission to approve its 2020 Plan, including the following new or continued approvals:

- Approval of the 2020 Plan, including the new La Joya II wind procurement and a continuation of the Customer Solar REC Purchase Program (“CSPP”) program for DG systems sized up to 100 kW and the Capacity Reservation program for DG systems sized over 100 kW and up to 1 MW;
- Approval to reset the Renewable Energy Rider, Rider No. 36 (“Rider 36”) rate from \$0.0066138 per kWh to \$0.0070504 effective January 1, 2020;
- Approval to amend the fuel and purchased power cost adjustment clause, Rider No. 23 (“FPPCAC”), to (1) reset the “Fuel Clause Year” to begin on January 1st to match Rider 36; (2) eliminate “Large Capped Customers,” “Exempt Customers,” and “Other Customers” allocation; and (3) include a mechanism to collect a new FPPCAC credit for certain governmental customers;
- Approval of a variance from the requirements of 17.9.572 NMAC (“Rule 572”) and the Final Order in Case No. 14-00158-UT that are inconsistent with the recent amendments to the REA;
- Approval of a variance from the 2020 RPS under 17.9.572.10 NMAC; and
- To the extent necessary, a variance from the data filing requirements of 17.9.530NMAC.

As a part of the Application, PNM proposes to recover \$58,935,081 through Rider 36, as compared with \$49,520,802 to be recovered in 2019, an increase of \$9,414,279.

PNM is proposing that the following Revised Rider No. 36 rates become effective January 1, 2020, in addition to any other charges that the customer is paying, and be collected through a line item charge on customers’ bills.
