

PNM Instant Discounts

When you buy select ENERGY STAR®-qualified energy efficient products at participating retailers, PNM gives you instant discounts at the register. There are several products that you use around your home that qualify for the instant in-store discount. Why not make a few simple changes and upgrades to become more energy efficient and start saving money and energy in your home right away by using these everyday items.

- Standard LED & Specialty LED Lighting
- Electric Lawn Equipment
- Weatherstripping & Insulation
- Heating, Cooling & Ventilation
- Hardware & Electrical
- Small Appliances

Just go to any participating retailer and look for the PNM logo on select energy-saving products to receive the instant savings discount at the register.

Income Qualified

Residential Energy Efficiency Programs

for Income Qualified Customers

Get rebates, discounts and home energy advice.

We're making it easier to save energy and money, not waste it.

Step One: Install Easy Savings Kit items in your home.

Your free PNM Easy Savings kit includes information on energy efficiency items that will help you save energy and money in your home.

Visit pnmeasysavings.com or call 888-290-9337 to order your kit today.

Step Two: Schedule your Home Energy Checkup appointment

Income Qualified PNM Home Energy Checkup

With a PNM Home Energy Checkup, you'll receive a report on your home's energy use and will learn ways to save energy and money. Your PNM Home Energy Checkup includes the installation of energy saving items, is **free to income-qualified customers**, and only takes about an hour to complete.

For more information and to schedule, visit PNM.com/checkup or call 855-775-6491.

Here's how it works:

A PNM Energy Ambassador meets you at your home to analyze how it uses energy, installs energy saving devices, and will qualify you for rebates

You get:

- Up to 20 ENERGY STAR® LED dimmable bulbs
- 1 LED night light • 2 efficient-flow showerheads*
- 2 bathroom faucet aerators* • 1 smart power strip
- 1 kitchen faucet aerator*
- Free fridge if unit qualifies

*If a utility water-saving pack was not received in the past 10 years.

Number in family	Monthly Income
1	\$2,023
2	\$2,743
3	\$3,463
4	\$4,183
5	\$4,903
6	\$5,623
7	\$6,343

More ways to help you save money

Income Qualified Home Weatherization Assistance

Get Help Lowering Your Bill

The New Mexico Mortgage Finance Authority (MFA) provides income-qualified customers free installation of energy-saving products in your home. For more information and to apply to receive energy efficiency assistance, visit PNM.com/home-weatherization-assistance

PNM Power Saver

If you have refrigerated air conditioning, you can become a PNM PowerSaver.

Get a **\$25** sign-up bonus and **\$25** for each cooling season you participate. Choose either a Wi-Fi enabled thermostat or an outdoor switch connected to your refrigerated air conditioning unit. During selected hot summer weekday afternoons we will remotely cycle your unit to reduce energy demand. Available in Albuquerque, Santa Fe, Belen, Bernalillo, Los Lunas, Rio Rancho, Alamogordo, Deming and Silver City.

For more information and to sign up, go to PNM.com/powersaver or call 1-866-471-7906.

PNM Refrigerator Recycling

Your old refrigerator or freezer could be using 20 percent of your home's electricity. Recycle it to save energy and money. You get:

- **Free** pick up
 - **\$50** to recycle a refrigerator or freezer
- An older second fridge in the garage, could be costing you \$20 or more on your bill each month.

To schedule a pick up, call 1-877-838-1139, or schedule online at PNM.com/fridge
