## \$50 MAIL-IN REBATE

**WHEN YOU INSTALL A TIER 3 SMART THERMOSTAT AT THE SAME TIME AS A QUALIFYING REFRIGERATED AIR CONDITIONER OR HEAT PUMP SYSTEM**

Smart thermostats provide unprecedented levels of control on heating and cooling systems. With an HVAC system representing on average the largest energy consumption category in a household, every bit of control a user has to save energy is huge.

### Tier 3 Smart Thermostat Specifications:

- Provides the ability to program a set point schedule
- Is Wi-Fi enabled which offers two-way communication capabilities
- Allows customers to access and adjust set point schedules remotely via a smartphone or web app
- Thermostats use a variety of methods to optimize HVAC settings for efficient and automated energy consumption

### Qualified Smart Thermostat Models:

**\$50 PNM MAIL-IN REBATE (Limited to two per electric account)**

- Ecobee: All models qualify
- Honeywell: Lyric RCH9310WF5003 or Lyric Th8732WF5018
- Lennox®: iComfort® S30
- Nest®: All models qualify
- Sunstat®: 500875 SC

**For a complete list of eligible smart thermostat models, visit [PNM.com/coolrebate](http://PNM.com/coolrebate)**

**Smart Thermostats installed by the homeowner or on a stand alone basis are not eligible for this rebate.**

**Mail To: PNM Cooling Rebate**

40 Washington Street, Suite 2000  
Westborough, MA 01581

**Please fill out completely. All customer, contractor and product information is required.**

**CUSTOMER INFORMATION:**

Your PNM Account Number at Installation Address:

\_\_\_\_\_

Your Name: \_\_\_\_\_

Installation Address: \_\_\_\_\_

City: \_\_\_\_\_ State: **NM** Zip: \_\_\_\_\_

Home Tel.: \_\_\_\_\_ Work Tel.: \_\_\_\_\_

**PNM REBATE: UP TO \$600 OFF MAIL-IN REBATE ON REFRIGERATED AIR CONDITIONER AND HEAT PUMP SYSTEMS**

PNM Energy Conservation Measure Rebate Program: PNM customers are eligible to get up to \$600 back from PNM when they purchase and install an eligible CEE Tier 1, 2, or 3 refrigerated air conditioner or heat pump system (the "Energy Conservation Measure"). **This rebate is good for purchases/installations made January 1, 2017 through December 31, 2017 or while funds are available for this program.** Limit two (2) refrigerated air conditioner or heat pump system rebates per PNM residential electric customer account. Effective August 1, 2017, PNM customers are also eligible for a \$50 rebate for any eligible Tier 3 Smart Thermostat installed by a licensed NM contractor at the same time as the installation of a qualified Tier 1, 2 or 3 refrigerated air conditioner or heat pump system. **Smart Thermostats installed by the homeowner or on a stand alone basis are not eligible for this rebate.** Limit two Smart Thermostat rebates per PNM residential electric customer account. By participating in this PNM rebate program, customers agree to and acknowledge the Rebate Program Disclaimer of Warranties and Waiver and Release of Liabilities, which can be viewed in full at PNM.com/coolrebate or by requesting a hard copy from PNM by calling (877) 883-1754. PLEASE NOTE: Manufacturer equipment model numbers on installation invoices must match model numbers listed on rebate form and on the AHRI certificate. PNM reserves the right to inspect all rebated products to verify compliance with program rules and the accuracy of project documentation. This may include post-installation inspections or participant interviews.

**Rebate requests must be submitted within 60 days of system installation date.**

**Please Include**

- 1 A copy of a recent PNM electric bill
- 2 Attach an invoice showing the installation address, date of purchase, price and quantity of system purchased and the qualified system manufacturer name and all relevant model numbers. This information must also be provided for any tier 3 smart thermostat rebates submitted.
- 3 To be eligible for the mail-in rebate, units must be listed in the CEE Directory of Efficient Equipment, which is also known as the AHRI Directory, and can be accessed by visiting www.ceedirectory.org. A CEE Tier 1, 2 or 3 certificate number (aka AHRI certificate reference number) and copy of the printed certificate must also be submitted with your completed rebate form. For split systems, the indoor evaporator coil and outdoor condenser unit must match in the directory for rebates to be processed.
- 4 Incomplete information will delay or disqualify your rebate. Allow 4-6 weeks for rebates to be processed.

To be completed by contractor

**PRODUCT INFORMATION:**

Installation Date: \_\_\_\_\_

AHRI Certificate Reference Number: \_\_\_\_\_

Please provide **indoor unit info:**

| System Type | CEE Tier | Indoor Unit Manufacturer | Indoor Unit Model # |
|-------------|----------|--------------------------|---------------------|
| Split       | Tier 1   |                          |                     |
|             | Tier 2   |                          |                     |
|             | Tier 3   |                          |                     |

Matching Furnace/Air Handler Model #: \_\_\_\_\_

- Mini Split System – Additional indoor model #s shown on invoice  
 Tier 3 Smart Thermostat – Manufacturer and model numbers(s) shown on invoice.

Please provide **outdoor unit info:**

| System Type | CEE Tier | Outdoor Unit Manufacturer | Outdoor Unit Model # |
|-------------|----------|---------------------------|----------------------|
| Split       | Tier 1   |                           |                      |
|             | Tier 2   |                           |                      |
|             | Tier 3   |                           |                      |
| Packaged    | Tier 1   |                           |                      |
|             | Tier 2   |                           |                      |
