See DS-13-2.5 Pages 1 - 3

---

NOTES

1. This clearance requirement applies only when the messenger guy, neutral, live part or multiplex service cable is less than 10' horizontally from the edge of the pool, diving platform or diving tower.
2. NESC Rule 234.
3. For NESC clearance purposes, spas (including whirlpools, hot-tubs, jacuzzis, or other similar installations not suitable for swimming) are not considered as swimming pools.
