INFORMATION PROVIDED BY PNM TO THE SUBSCRIBER ORGANIZATION

PNM COMMUNITY SOLAR SUBSCRIBER ORGANIZATION MONTHLY

SUBSCRIPTION FILE

The utility will provide the subscriber organization with the information below in the specified field format upon completion of PNM's annual meter reading schedule cycle 12 date.

All data shall be exchanged with SSH File Transfer Protocol ("SFTP") via plain text files in files capable of comma separated values ("CSV") format. Microsoft Excel can generate and read CSV files.

This file consists of two sections:

Section 1 reports applied or exceptioned bill credits for each individual subscriber.
