## Over 60 people received utility bill help at PNM’s Good Neighbor Fund event

(Albuquerque, NM) – PNM hosted an event for customers on March 20 to invite customers to receive assistance on their electric bills from the PNM Good Neighbor Fund. New Mexico Gas Company and Bernalillo County Water Utility Authority also joined in on the event to provide customer assistance. More than 60 people received help paying their electric, gas and water bills.

During the 2.5 hour event, the PNM Good Neighbor Fund provided more than \$6,000 to over 30 qualified families to help pay their PNM bill.

PNM is helping customers keep bills affordable all year round and offers programs to help customers manage their energy usage and bills, like Energy Efficiency program rebates and Time-of-Day rates. In addition, the PNM Good Neighbor Fund was established with shareholder-funded and employee donations to assist PNM customers most in need. PNM customers are also able to contribute to the fund through their monthly bill.

“We take pride in helping the communities we serve and hosting these events to make it easier for customers to receive help from PNM’s Good Neighbor Fund,” said Lisa Goodman, Vice President, PNM Community Relations. “We’re grateful for all those who contribute to the fund and appreciate the partnership from the gas company and water authority to make an even bigger impact. It really shows that when we work together as a community, we truly can power New Mexico, together.”

PNM also offers customer Budget Billing programs and payment plans. To learn more about bill help options visit [PNM.com/help](https://www.pnm.com/help).
