## **PNM named a 2026 Corporate Philanthropy Award Honoree**

(Albuquerque, NM) – PNM has been recognized as one of Albuquerque Business First’s 2026 Corporate Philanthropy Award honorees, celebrating companies that demonstrate exceptional commitment to strengthening New Mexico communities through charitable giving, volunteerism, and long-term community partnerships.

“We have a long history of corporate giving, and it stems from our core values. It’s at the heart of who we are,” said Lisa Goodman, PNM Vice President of Investor and Community Relations. “PNM is more than powering homes and businesses, we are also powering our communities and supporting organizations working every day to make New Mexico stronger. This is how we are powering New Mexico, together. We’re grateful for the opportunity to support this work and help create lasting, positive change.”

PNM’s Good Neighbor Fund provides bill assistance to income-qualified customers. The company’s proposed acquisition by Blackstone Infrastructure would triple the amount of annual funding for this program for 10 years. Additional programs, including PNM Power Pros, the Navajo Nation Workforce Training Scholarship Program and the PNM Pueblo Education Scholarship and Endowment have supplemented PNM’s annual corporate giving, company Foundation and volunteer initiatives that support organizations in the communities where our customers live and work. Together, these efforts represent an average annual investment of \$3 million in New Mexico communities and reflect PNM’s ongoing commitment to Powering New Mexico, Together.
