No fees, no hassle: PNM reminds customers of fee-free payment options

(Albuquerque, NM) – PNM is reminding customers that they have several convenient, secure, and fee-free options to pay their monthly bill. These fee-free choices are designed to make managing household expenses easier, more flexible and more accessible for all customers.

Easy, No-Fee Ways to Pay

Pay Online from Your Bank Account:

Customers can make quick, secure payments anytime at [PNM.com](https://www.pnm.com) using their bank routing and account number. It's fast, safe and completely fee-free.

Set Up Automatic Payment:

For even more convenience, customers can enroll in automatic payment at [PNM.com/autopay](https://www.pnm.com/autopay). Bills are paid automatically each month from a bank account, eliminating due-date worries and preventing missed payments.

Pay in Person at a Western Union Location:

Customers who prefer to pay in person can visit any participating Western Union location, many of which are open evenings and weekends, to pay with cash or debit card fee-free. Just bring your bill. Find a location that works for you at [PNM.com/payinperson](https://www.pnm.com/payinperson).

Visit a PNM Payment Center:

Customers can also stop by an official PNM Payment Center to pay with cash or check without any added fees.

Paperless Billing

With postage prices set to increase in July, PNM is encouraging customers to sign up for paperless billing as an easy way to avoid rising mailing costs and potential delivery delays. Paperless billing gives customers access to their bill as soon as it is generated and provides a secure way to manage their account without the risk of lost or stolen mail. It also helps customers stay organized, reduce clutter, and receive their bill faster. Learn more and sign up at [PNM.com/paperless](https://www.pnm.com/paperless).
