PNM to Maintain Service for Furloughed Federal Employees

(Albuquerque, NM) - Federal employees who have been furloughed and are facing financial hardship are encouraged to reach out to PNM. In addition to payment arrangements and assistance programs currently offered to qualified customers, PNM has suspended disconnections for those customers who have been furloughed.

Furloughed federal employees who have received a red disconnect notice on their bill can submit a Furloughed Federal Employee Special Consideration Request form to request additional time to pay their PNM bill. This form is available specifically to furloughed individuals who are at risk of losing service due to non-payment. To access this form and learn about other resources visit [PNM.com/help](https://www.pnm.com/help).
